ABOUT US

The North Carolina Azalea Festival is Wilmington's annual community celebration and the largest festival of its kind in the state. Founded in 1948, the Azalea Festival has emerged as Wilmington's premier event. The Festival's concerts, fairs and special events are attended by an **estimated 250,000 people**. Each event is a celebration, beginning with the arrival of Queen Azalea at the official opening of the five-day event. Everywhere the blooming azaleas offer colorful testimony to the rich heritage of coastal Carolina.

MISSION

The mission of the North Carolina Azalea Festival is to be nationally recognized as a showcase for our community's rich array of artwork, gardens, history, and culture through recreational, educational and family-oriented events. The Festival **encourages volunteerism** and civic participation as it **contributes to the region's economy** and promotes the unique qualities of our river-to-the-sea community.

IMPACT

In 2011 the University of North Carolina Wilmington performed an economic impact on the effects the Azalea Festival has on our community. Results came back with an **over \$50 million economic impact** for our region annually. We also boast a **volunteer corp of over 1,000** (our #festivalfamily) who work tirelessly each year to ensure the best events and experiences for our guests.

FESTIVAL FAMILY

The Festival would not be possible without the contributions of dedicated community members, including:

- 187 Chair/Co-Chair Leaders
- 74 Committees

SUSTAINABILITY INITIATIVE

The North Carolina Azalea Festival is taking steps **to prioritize sustainability efforts** at one of our signature events, the Airlie Luncheon Garden Party. Working with partners UNC-Wilmington Office of Sustainability, Wilmington Composting Company, and Wall Recycling, a comprehensive waste management plan includes a trained group of volunteers to aid in directing event attendees on proper waste disposal which replaces single use items with compostable items including compostable plates, cups, food containers, and cutlery.

Through these such changes to the event, the Azalea Festival was able to make a significant impact by **diverting .85 tons of waste to compost, 1.45 tons to recycling, and only producing 1.82 tons of trash.**

At past Garden Parties, trash would sometimes equate to **4-5 tons**, so this is a huge improvement!

DEI INITIATIVE - INTERNATIONAL BLOOMS

The North Carolina Azalea Festival continues to make intentional efforts to be inclusive and share our region's rich cultural heritage. Through the International Blooms Program, the Festival chooses one country to highlight each year which will be in the spotlight at various Festival events through special musical and dance performances, invited guests and groups representing the country, food and art displays, and more. Thanks in part to the support of nCino, and Cape Fear Community College, Nigerian culture was showcased at the Chefs' Showcase, Parade, Street Fair, Performing Arts Stage, Fashion Show, the Patrons' Gala, Festival Committee meetings, and more!

MEDIA RELATIONS

PRESS COVERAGE

As it is our mission to become nationally recognized, we know we need our media partners to help spread the **Festival spirit**. Throughout the year, we keep our media friends up-to-date on current Festival events through **press releases** and meetings to determine **coverage**. As one of the largest events in the state - local and regional (and sometimes national!) coverage is saturated with Festival happenings Festival week.

PURCHASED AND TRADE MEDIA

The Azalea Festival works with many **regional media partners** to promote the Festival. We use multiple media platforms, including **digital, social, radio, print, cable** and **network TV**, and **outdoor billboards**. Ads are purchased and also offered on trade for Festival tickets.

MARKETING OUTREACH

The Azalea Festival also uses Festival marketing channels to keep various audiences updated on Festival events. Three platforms heavily utilized are our website, e-marketing emails, and social media.

633,649	WEBSITE PAGEVIEWS www.ncazaleafestival.org (April 17, 2024 - April 17, 2025)	192,263	EMAILS OPENED (April 17, 2024 - April 17, 2025)

WEBSITE

The Festival Website is used to provide **event information** and to **promote event ticket sales**. It is also used heavily for **registration** and **application** purposes: Volunteer, Street Fair vendor, Parade, Scholarship Pageant, Boxing Competition, and local/regional musical performers. The website is also used to funnel **donations** and a place for **sponsor logo recognition**. Additionally, the website is used to **showcase our Invited Guests** and houses Festival **historical photos**.

E-MARKETING

Festival E-marketing is also used to provide **event information** and to **promote event ticket sales**. Through our E-marketing campaigns, the Festival is able to drill down audiences into specific groups, targeting those more likely to purchase certain event tickets or merchandise based on past sales. We are also able to **target specific event attendees**, informing them of **weather delays** or other **necessary event information**. Festival Concert attendees receive an email the day prior to their show with relevant information, and Street Fair Vendors receive information about what else is happening during Festival week, in case they should want to join the festivities. Emails are also used to **stay in communication** with our volunteer chairs, Emeritus volunteers, and Past Presidents. **Press releases** are sent out through our E-marketing platform, which makes them more visually-appealing and informative. Higher-level sponsors are listed on every email, which provides an amazing amount of **sponsor exposure**. The Festival also has a monthly E-newsletter, "**Here's the Dirt**," which provides insider access and special perks to our fans. We boast a **37.2% e-mail open rate for "Here's the Dirt."**

SOCIAL MEDIA

Festival Social Media is also used to provide **event information** and to **promote event ticket sales**. The Festival relies on **contesting** on its social media, giving away tickets and swag while growing our contact lists. These contests **drive social media engagement, promote events**, and (since they are often tied to our sponsors), provide great **sponsor exposure and interaction**.

FESTIVAL SUPPORTERS

AZALEA FESTIVAL SPONSORSHIPS

As a 501(c)3, the Azalea Festival relies on the generous support of sponsors for the funding needed to put on an event of this magnitude and **impact to our community**. Sponsors are treated as **Festival family**; Festival staff truly wants what is best for each sponsor and to make sure the sponsor goals and objectives are met. Some sponsor levels are set to a specific price and package; these sponsors appreciate a **Festival ticket package** and **sponsor logo recognition Festival-wide**. Other sponsorships are more **tailored** to fit an individual sponsor's brand, needs, and goals. As a 501(c)3, some of the Festival sponsorship monies are tax-deductible for our sponsors.
